

The “On the Table” group at Norwood Park Senior Center met on May 12th to address the needs of an increasing aging population.

- A. Accessibility
 - 1. Increase when and wherever possible
 - 2. Need a provider to make small home repairs for safety and access ([Norwood Seniors Network?](#))
- B. Transportation
 - 1. We are a transportation hub with poor local public coverage
 - 2. Support ride sharing
 - 3. Is a local system possible to establish?
- C. Norwood Park Senior Center
 - 1. Has become an important part of the community
 - 2. Place to make new friends
 - 3. Needs to continue to grow
 - 4. Base from which to volunteer in the general community
- D. Walkable Community
 - 1. Need middle income housing
 - 2. Baby boomers and Gen Y share this interest
 - 3. Revisit local Chamber of Commerce plan 2006 that addressed this
